## The Polish Mission

## About the Ambassadors Endowment Fund

The Endowment was established in 1974 to provide for the future of the Orchard Lake Schools (OLS). The Endowment Fund is governed by the Ambassadors Cabinet which is responsible for the administration of the Fund, including the annual distributions of funds to OLS. Members of the Cabinet are presented with a list of important needs for the campus and vote for those projects to fund.

The Ambassadors Endowment has provided over **\$5,000,000** to special projects around the campus. These projects have included computers, financial aid, building renovations, library online cataloging, roof repairs, and carpeting.

## Membership

By becoming an Orchard Lake Ambassador, you contribute to the schools and help sustain the proud and faithful *legacy* of 133 years of service. The founding Ambassadors Leo Obloy, London Morawski, and Frank Padzieski, provided the means by which the Orchard Lake Schools could ensure future generations of a Christ-centered, academically vibrant, and culturally charged community on the shores of Orchard Lake. These early contributions, coupled with your generosity, are investments in the lives of individuals. By becoming an Ambassador, you will have made a positive difference in someone's life.

An elegant *Ambassadors Ball* is hosted yearly by the Ambassadors Cabinet to recognize the new and continuing Ambassadors.
